Informed Consent for Exercise Participation

Voluntary Participation

I wish to participate voluntarily in exercise activities and/or programs at The Family YMCA exercise facilities. My purpose is to maintain or improve my personal health and fitness. I understand that moderate exercise, when gradually increased in intensity, along with appropriate exercise guidance is recommended and safe for most people. I understand that qualified YMCA staff is available to assist me in learning to use exercise equipment safely. Qualified staff is also available to consult with me about my personal exercise program and special fitness objectives or limitations. If I choose to use equipment within the YMCA facility I understand I must obtain instruction on using the YMCA's equipment or assume responsibility myself if I choose to waive this right. The YMCA will not be held liable for injury or damage.

Medical Evaluation

I understand that it is advisable to obtain a medical evaluation and my doctor's approval prior to initiation of exercise if I meet any of the following risk criteria:

 - known heart murmur
 - irregular or rapid heart rate
 - leg or arm pain with exercise

Exercise Risk

I understand that the risk of injury to the musculoskeletal system, and in rare instances occurrences of heart attack or death, are somewhat increased during exercise. However, these risks must be compared to the overall lower death rates of physically active people.

Participant Responsibilities

I understand that I am responsible for monitoring my own condition at all times. If, during exercise, unusual symptoms occur I will cease my participation and inform the instructor or staff of my symptoms. If such unusual conditions occur, I will be encouraged to visit my doctor for further evaluation. If indicated, YMCA staff will contact Emergency Medical Service (911), and I give my permission to do so.

I agree that I will not use this facility while under the influence of alcohol or other drugs or while experiencing any condition (medical, psychological or chemical) that might impair my ability to make safe and sound judgments affecting my safety and the safety of other participants.

In signing this consent form I affirm that I have read this document in its entirety; all of my questions have been satisfactorily answered, and I understand what I have read.
